Secretary to the Government of His
Highness the Maharaja of Mysore,
Financial Department.

SIR,

With reference to your letter No.656/Fin.dated 29th ---- September 1928 re restoration of certain portions forming the ---- premises of the Sri Sumatindra Anjaneyaswami temple to the possession of the Sri Raghavendra Swami Matha, I have the honor to state that in his letter dated 20th March 1929 the Deputy Commissioner reported that the agent was put in possession of the Garbhagudi on 7th July 1927 and that as the remaining portions all around the garbhagudi are in the possession of Mrs. Mirza Sait they could not be restored to the --- Vahivatdar.

2. From the sketch, the sale certificate and the delivery receipt enclosed in the records here with transmitted it will be seen that only certain portions of the entire premises marked B, B_1 & B_2 -- had been delivered to Mrs. Mirza Sait, that the portions indicated by A had not been so delivered and consequently the Deputy Commissioner was requested to make further enquiries as to whether the portion -- covered by A formed the temple proper as defined in the Government - Order of 9th September 1926, whether it was unalienated and memorialised and if not, in whose possession it was now and whether the heirs of Mr. Anantha Murti whose where-abouts are reported to be not --- known-were willing to restore that portion to the Matha authorities to facilitate the renovation of the temple and its surroundings.

3. In his present communication the Deputy Commissioner --

Commissioner reports that except the garbhagudi marked A in the sketch and the passage leading to it from Chikpet, the rest of the premises in its entirety are in the possession of Mrs. Mirza Sait and that it is not possible to get more information. (vide also Mr. H.Krishnappa's letter enclosed in the records.)

4. As Government have ordered on more than one occasion that they decline to interfere in the disputes relating to the restoration to the Mutha of the properties other than the temple proper, and as the portion now restored to the Mutha is in conformity with these orders, I am of opinion that no further action in the matter is necessary. If approved, the Deputy Commissioner will be requested to issue a suitable endorsement to the Matha agent.

5. The connected file of vernacular papers is enclosed.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Letter No.C3-3559/27-28 dated 24th October 1929 from the Deputy Commissioner, Bangalore District to the Huzrat Commissioner in Mysore. 19

Subject:- Restoration of the properties belonging to the Sri Sumatheendra Anjaneyaswami temple in Chickpet to the Sri Raghavendra Swami Matt at Manjangud.

With reference to your letter No.535/2 -29 dated 14th June 1929 on the above subject, I have the honor to state that except the Garbhagudi marked A in the plan and the passage leading to it from Chickpet, the rest of the premises of the temple in question, consisting of shops dwelling houses, out-houses and other structures with the adjoining compound and vacant space are reported to be in the possession of Mrs. Mirza Sait, and that there is now space left even to go round the Garbhagudi and that more information about this was not possible to get. It may be added that the Government orders of 1921 and 22 both merely refer to the temple proper where worship is being conducted and with which only the Government is concerned and not of the sites and portions of building or vacant ground which is the property of the Matt and the dispute regarding which the Matt authorities should take such action as they are advised, but that has nothing to do with the Government.
